Dear friends,

I am writing to you on behalf of the Peace and Justice Action League of Spokane (PJALS) to invite you to place an ad in the program book for our ***Head Heart & Hands: Moving Forward Together*** luncheon event on Wednesday, May 31.

For over 40 years, Peace and Justice Action League of Spokane has engaged everyday people to build a just and nonviolent world through community organizing and advocacy for peace, economic justice, and human rights. This luncheon event will bring like-minded people together, strengthening relationships, and building capacity to move forward and transform systems of violence and oppression!

Support of ***Head Heart & Hands: Moving Forward Together*** helps fuel policy-change and leadership development. Our highly regarded Young Activist Leaders Program and other workshops support skilled and passionate social justice leaders of all ages. We lead grassroots organizing for criminal justice reform and police accountability in Spokane. As we soberly face and resist the many challenges of the Trump administration, we mobilize to counter racism, anti-immigrant and anti-Muslim bigotry, out-of-control military spending, and war.

Please consider publicizing your organization, business, or faith community with a program book ad and sponsorship! In addition to your ad in the program book and social media recognition, your name and contact information will be included in our Sponsor Directory in the program book and on our searchable website. More than 2000 supporters will see social media posts and over 200 people will attend and receive program books. With new and increased passion for getting involved in the work and mission of PJALS, we are seeing a spike in connections to PJALS website. As a donor to this event, your generosity will be recognized by community members who make thoughtful decisions!

Program book ad rates are enclosed. Your donation is tax deductible to the fullest extent of the law. Our tax exempt ID number is 91-1234899.

We thank you in advance for your consideration of this opportunity! Please contact Farand Gunnels, our Development Coordinator, anytime at 838-7870 or fgunnels@pjals.org should you have any questions.

Sincerely,

Liz Moore, Director
