Breathing In Community: Healing, Transformation, Joy
Virtual Benefit Host Packet

In our Peace and Justice Action League community, we believe everyday people can accomplish extraordinary things together. For more than 45 years, we have organized for racial equity, economic justice, peace, and human rights. As we continue to build a movement to transform systems and strengthen community, part of our calling is to create room to breathe, heal, and embrace joy.

At Peace and Justice Action League’s (PJALS) Breathing In Community: Healing, Transformation, Joy Virtual Benefit, members, donors, and new friends will get the opportunity to be part of a movement for peace and justice. Guests will hear firsthand how we work together to expose and transform systems of hate, violence, exclusion and oppression to build a just and nonviolent world and create a culture of love and belonging.

As a table host, invite your friends to participate in PJALS’ Virtual Benefit. There is no cost to attend – guests will have the opportunity to donate to PJALS largest fundraising event. It’s easy, and the work you do will help us as we breathe in community— together!

This packet contains information about PJALS’ Virtual Benefit along with a table host description, timeline, and simple worksheet for table hosts and their guests. If you would like to be a host this year, please sign up here. We will follow-up with you for guest list information. If you have any questions, contact Shar Lichty, at 509-838-7870 or slichty@pjals.org with any questions.

About the Event:
We are hosting our Annual Benefit virtually again this year and returning to its usual Spring timeline. We have moved the event to the evening in hopes of welcoming even greater attendance.

Our goal is to engage over 250 members and individuals throughout the Spokane region in our essential work for peace and justice and to better acquaint members with the intersectional lens of our analysis —looking at race, class, and gender as we examine the impact of the issues we work on during these trying times.

PJALS members like you make the difference as we grow -- thank you for making the Benefit a huge success as a table host!
